

LETTER OF RECOMMENDATION

TO WHOM IT MAY CONCERN

Concerning project:	"LANDFILL FOR INDUSTRIAL WASTE (hazardous and non-hazardous) from STOMANA INDUSTRY SA – staged construction" & "Reconstruction of water mains branch I (displacement) in connection with the construction of "Landfill for industrial waste (hazardous and non-hazardous) from STOMANA INDUSTRY SA – staged construction":
Financed by:	STOMANA INDUSTRY AD
Type of contract:	FIDIC red book
Contract value in EURO:	2.838.840,33 € excl. VAT
Construction period:	09/2014 – 08/2016

As Head Representative of STOMANA INDUSTRY for the project, I am glad to write this recommendation letter to confirm that:

Dipl. Eng. Nikolay IVANOV

from the Contractor STRABAG EAD fulfilled the duties of Contractor's Representative from the start of pre-construction activities through completion of the Works on the above described project.

Mr. Ivanov was responsible for the coordination of all activities related to compliance with the Bulgarian administrative rules and regulation, as well the rules of FIDIC, while also coordinating the civil works. Since the start of the project Mr. Ivanov has proposed and realized many design changes such as optimizations (in favor of better operation and lower investment costs) and correction of omissions.

I am impressed by the quality, willingness and diligence of his work, as well as by his ability of adapting and improving continuously.

In my opinion, Mr. Ivanov is a hard-working engineer, with profound expertise on project implementation and coordination. He managed the Site fully satisfactory to the Employer. His contribution to the realization of this project is significant.
